

ANGELS ARE CALLING: “GO ON *GOD’S WAY!*”

Hush, oh be still, an angel is calling,
Its message has winged from God’s mighty Word:
A message of Love embracing, enthralling,
Calling to you: let its missive be heard!

Then think of the Bible, the stories so clear,
Of Mary and Joseph obedient and good,
They followed as guided and all without fear:
Their hearts were receptive, they did what they should.

Their lives were a model of listening to Love,
Wherever they went their reception was bright;
Their closeness to God like a hand in a glove!
What they did for mankind gave true shining light!

Hush and be still, there are angels for you!
We just need to be humble to hear what they say.
They speak with God’s Word, they speak what is true,
And they send us with courage to “Go on *God’s Way!*”
