YEAR.

One moment of divine consciousness, or the spiritual understanding of Life and Love, is a foretaste of eternity. This exalted view, obtained and retained when the Science of being is understood, would bridge over with life discerned spiritually the interval of death, and man would be in the full consciousness of his immortality and eternal harmony, where sin, sickness, and death are unknown. Time is a mortal thought, the divisor of which is the solar year. Eternity is God's measurement of Soul-filled years.

Thou wilt show me the path of life; in Thy presence is fullness of joy; at Thy right hand there are pleasures for evermore. Psalms 16:11
