

# 1

What did Christ Jesus give for us as a sacrifice? What 4 things were granted to us? What can you sacrifice grow spiritually?

# 2

What are the three kinds of baptism in section 2 of the Bible?  
What do they symbolize in Science and Health?

# 3

In section three it says who we should and should not be like. Who are they? Why? Is there another foot washing story in the lesson? Is there a difference?

# 4

In section 4 of the Bible what do the bread and wine symbolize?  
What does Science and Health say our bread, wine, and cup  
are?

# 5

Take the spices to the tomb! Who did Jesus first appear to after the resurrection? Why do you think it was this person?

# 6

In section 6, what is promised us and by whom is it promised?  
What does it say our promise or sacrament should be?
