

“I have dreamed a dream” Genesis 41.

The example of Joseph, - something to sing about!

**“I dreamed this dream, magicians bold,
Do tell me what it meant?”**
And out of all the wisest men,
There was no answer sent

Now Joseph never lost his faith,
The Lord stayed by him true;
For years unjustly imprisoned,-
No bitterness he knew.

When the need for Joseph came,
Mentally he was ready.
Oh, what a lesson for mankind!
His spirit had kept steady.

At last he came out of prison,
Was shaved and clothed afresh.
He knew that God was his Father:
They saw him as just flesh.

**“I dreamed a dream O mortal man
And I wondered what it means?
There is no one here can help me,
Can you interpret dreams?”**

And there he stood before Pharoah,
Did he feel strange or odd?
His reply came straight from the heart:
“My standing is of God.”

And with the Spirit Joseph spoke;
The dream it was revealed:
For with God’s wisdom all was clear,
And harmony was sealed.

Oh Holy Spirit wash me through,
True humbleness please find:
In patient trust, when I let go,
I see unfolding Mind.

Oh Let me learn from Joseph’s love,
With understanding true,
To be awake is not to dream,
It is to be with You.
