

The Breath of Spirit

The Breath of Spirit voiced God's Word:
True Cosmos now donated:
And Love saw "it was very good",
All things were thus created.

Hence man was formed by Spirit pure –
The breath of inspiration:
We cannot ask for anymore,
This is our sure foundation.

Embraced in Love / Truth / Spirit / Life,
An understanding pure,
Each prayer with honest stillness,
Reveals our Father more.

O let us live as Spirit guides,
So sing with joy and praise,
For in Thy purity we live,
To follow all Thy ways!
