

# THANKSGIVING!

Let your heart rejoice and sing,  
For God has formed your DAY,  
All His bounty it doth bring,  
He leads you in His way.

Oh, give thanks, dear singing heart!  
Make gratitude your goal!  
Let God's music play full part  
In sharing Life as Soul!

In gratitude there is true peace:  
Each action writes Love's story.  
In bearing fruit, we find release,  
Our sharing shares God's glory!

So grateful hearts, unite with me,  
For Love says "YOU ARE MINE"  
Our true treasure rests in Thee,  
In gratitude: "LET'S DINE!!"
