Sing!

By Ken Cooper

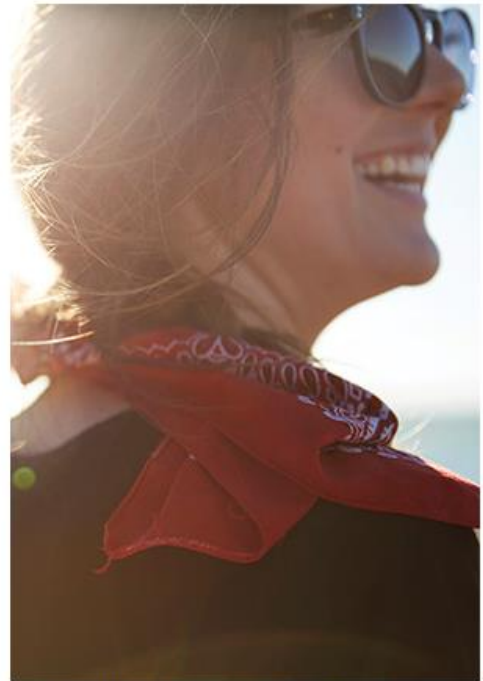

From the [December 31, 2018 issue](#) of the *Christian Science Sentinel*

Oh God, we raise our song to Thee,
In praise of Thy eternity,
For only with perfection true
Do we reflect the Life that's You.

Rejoice! We sing with all our heart,
Giving praise for all Thou art,
For joy and peace and love are Thine,
As we reflect the Life divine.

Oh happy are our lives in Thee,
Reflecting Soul's prosperity!
We ever sing new songs of praise,
As gratitude fulfills our days.
