

JESUS OUR FOUNDATION STRONG

Oh, Jesus our example sure,
Help us to love thee more and more,
With you as our foundation stone,
We stand secure beside thy throne.

OUR CORNER STONE

Yes, you have shown us what to do,
In purest love to follow you,
For it's the Christ that makes all strong
To conquer evil, sin, and wrong.

FOLLOW JESUS

With moral courage we go forth,
In standing strong we prove our worth.
With vehemence, error we deny:
With gratitude, we find supply.

MORAL COURAGE

Thy clear command to preach and heal
Has shown to us what's true, what's real.
We find all strength as meek, *not* mild,
And prove the meaning of "God's child"!

PREACH AND HEAL

So, let's all stand, together sing
About the joy pure love does bring;
For when the Christ is manifest
We see as Jesus and are blessed.

SO BE BLESSED
