

# THE TRUTH OF UNCONDITIONAL BEING

---

Now don't let a condition try to tell you how you are  
Or give a sense of time and space and just how long or far.  
For what makes a condition is merely a mortal scheme:  
It's a lie, a misconception, - part of the Adam dream.

Wake up! You're in the Absolute, where God and man are One,  
Where this is the Truth of Being, where matter there is none.  
A condition can't exist: for the fact must ever be  
That what is true is always true: and Truth makes man so free! \*

There's simply no condition or temptation to attract.  
God's Freedom universal. It's simple. Hold this fact.  
So recognise reality: accept just what is true:  
God's Truth is unconditional, made manifest as you.

*\*John 8:32  
And ye shall know the truth, and the truth shall make you free.*
