

PERFECT PEACE

Be still.

See and feel Love's perfect light shining even now: darkness is no more.

Stirrings of false sense are utterly stilled.
Sinful thoughts completely silenced, gone.

Fear and sin vanish, in the face of Life's **Omnipotence**.
All pain washes away, in the salve of Love's **Omnipresence**.
False belief is destroyed by Truth's **Omniscience**.

**PEACE IS
THE LIGHT OF
UNDERSTANDING**

God says: "I AM THAT I AM" *

Creation is embraced in both the strength and softness of our Father-Mother,
Borne safely in our Father's mighty arms,
Conscious only of our Mother's tender Love.

**LOVE IS
THE WHOLE OF
THOUGHT**

Love is the whole of thought:
Love is the very depth and light of all being.

Reflected in your love for God, for yourself, for your neighbour. In God's love for you.

Love sets the standard of perfection, and its warm light shines everywhere.

So Love's perfection is also man's perfection? His light our light?

Yes! That's it! God's Love has *always* shone on man!
Love's light and peace are forever ours: shining face to face.

Perfect Love is man's perfect peace.

Right now.

Exodus 3:14 And God said unto Moses, **I Am That I Am:**

Psalms 46:10 Be still, and know that I am God:

Psalms 37:37 **Mark the perfect man, and behold the upright: for the end of that man is peace.**
