

“

CedarS Family Camp is our best week of the year! We make it a priority to attend because we view it as a spiritual recharge before heading into the new school year. We get to connect with our kids in a screen-free environment that encourages each of us to engage in joyous activity. My husband is non-CS and he feels warmly embraced by the CedarS family and loves seeing Christian Science put into practice.

This is a great way to introduce your children to camp, spend time with friends, or bring your extended family together for a reunion.

Choose from a variety of activities such as horseback riding, cart driving with mini horses, low & high ropes courses, waterslide, ziplines, waterski trips (Family Camp only), crafts, nature hikes, kayaking, archery, watercolor, Bible Lands Park tours, inspirational workshops, swimming, cable skiing, song writing, a 5k run/walk, campfire s'mores, hymn sings, and more.

We welcome family members of all faiths to experience an inspiring environment where Christian Science is lived and loved.

### About Our CedarS Sprouts Program (Babies-Kindergartners)

Sprouts can enjoy age-appropriate activities with their parents, including swim lessons, horseback riding, crafts, and more. Or, parents can drop off their little one with our experienced Sprouts staff and then go to activities on their own or with other family members. We also offer free evening babysitting in your cabin or room most nights, so you can take part in workshops, fellowship, and fun!
